

INDEX SPONSORS

April 2022

With more than 200 indexes released in over 30+ countries, MSCI Private Real Assets Indexes have extensive reach across national, international and specific sector markets, as well as wider circulation through a number of financial data distributors.

Leveraging off this network, our sponsors have a wide range of benefits available to them and can choose to align with a country, region or specialist segment.

MSCI is fortunate to work with the following sponsors:
